Snowflakes & Schnapps

A magical evening reflecting the glamorous nostalgia of a 1950's Christmas. Guests arrive to a covered entrance lined with lit fir trees, before entering the reception area to be greeted by our friendly staff offering warming Schnapps cocktails! The reception area will be beautifully decorated with stunning large framed images of original 1950's glittering Christmas cards and entertainment will be provided by our gorgeous singer who will serenade guests with well-known seasonal songs!

After drinks guests will be invited into the dining room, which is lit with hundreds of pealights twinkling behind shimmering purple organza drapes and sparkling centre pieces decorating each table.

A delicious dinner cooked by our highly rated restaurant chefs will be served and unlimited wines, beers and soft drinks are available all night. After dinner, guests can dance away the rest of the evening on the black and white chequered dance floor to the music of choice from our in-house DJ.
